—Mr. M. S. Hackney, of Chatham county, has moved his family to Durham.

—"Mugs Landing" will be presented at Stokes Hall next Wednesday night, March 8th.

—Several of our citizens will attend the Inauguration of President Harrison next Monday.

—The Y. M. C. A. has a "rowing machine." It is one of the latest additions to the gymnasium.

—Early as it may seem, the Recorder would like to see the present Board of Aldermen re-elected.

—If we should have another war, there can be found enough officers in North Carolina to fill all the places.

—Cupid is still at work. He has got several of 'em on his string. We'll tell you later who wears the hatband.

—Mr. W. T. Watts has come back to his "first love" to reside. He has been living near Mebane for the past few months.

—Our City fathers are having the garbage hauled out of town. This is good and they deserve the thanks of the public.

—Bring along those factories, we need every one. Lets have more of every kind. Durham must continue on the road to prosperity.

—Mr. Thos. Merritt, son of Mr. M. B. Merritt, residing near Chapel Hill, died suddenly one day last week of heart disease.

—Governor Fowle has appointed our townsman Dr. A. G. Carr, Surgeon-General with rank of major. Good morning major Carr.

—Dr. Thos. S. Vickers, has been appointed by Governor Fowle to attend the Quarantine Convention the 5th. of March Montgomery Ala.

—The Driver House, now under the management of Mr. M. L. Kirkman, is gaining in popularity. He gives you a good meal and a good room at reasonable prices.

—Dr. L. A. Hanks, Pittsboro, has been appointed by Gov. Fowle, a delegate to the Quarantine Convention, which meets at Montgomery, Ala., the 5th. of March.

—Pay your subscription to the Lynchburg & Durham Railroad. The pinch has come; the fitness of things should lead us to discharge our obligations at once in this important matter.

—Governor Fowle has appointed Dr. N. M. Johnson, of Durham a delegate to the National Sanitary Convention which meets in Montgomery Ala., the 9th. of March. A good selection.

—You can bet your last years hat that if you read the advertisements in this issue it will pay you a hundred percent for your time. They tell you where, when and what to buy and how to buy.

—Mr. H. N. Snow deserved and received the thanks of the County Sunday School Convention for the very zealous and efficient manner in which he discharged his duties as Secretary. —Plant.

—The snow which fell here to the depth of ten inches last Friday night has vanished from the sunny sides of the hills, but the air bristled with the heavings of its genuine whiteness Sunday and Monday.

—The old Recorder has been making its weekly visits to the public for the past SIXTY-NINE YEARS. It continues to grow in popular favor. Advertisers recognize it as the best advertising medium in this section. Hence its crowded columns.

—Follow the rushing crowd "mixed" though it be, and see the crowded advertising columns of the Recorder. Still they come and will seek the best advertising medium Durham has or ever had. The list tells what the public knows to be a fact.

—The most of the Military Companies in the State have been furnished with overcoats. Why is it that our own fine company has been overlooked? Is there any partiality shown? There seems to be something wrong somewhere. There ought to have been some just rule by which the companies could have received the same favors.

—The Durham Light Infantry was out on dress parade Monday evening. They were inspected by Col. E. J. Parrish. The boys presented a handsome appearance. The drilling was done at Parrish's warehouse.

—Look out for burglars as well as the dog without a collar; the papers say that they are in Wilmington and Charlotte. The owners of dogs think our policemen are hot-blooded—well, they are quick with a pistol, and their feelings toward a burglar is always intense and bitter.

—Why is it the Richmond & Danville Railroad put on sale reduced rate tickets for parties desiring to attend the Mardi Gras festivities this season at New Orleans, at Goldsboro, Raleigh, Greensboro, and other points and gave Durham the go-by? "Tote" fair gentlemen.

—The prominent and well known Dry Goods and Notion house of Thaxton & Watkins, Richmond, Va., deserve special notice for the rapid progress it has made in the last few years. In no branch of business enterprise of that thriving city, has there been a more marked growth, than has been shown by this firm, and shows what can be accomplished by steady application to business and just and honorable dealing. They have two new salesmen on the road this year, making nine in all, who represent the House in six different States. Their stock this year is larger, and more varied than ever before, and which will attract buyers with the keenest interest, both in price and style. Mr. E. A. Bradsher who represents them in this section, will call to see the merchants generally, to due season with spring line of samples. When you visit Richmond do not fail to make this house headquarters, and Mr. Bradsher will take pleasure in selling you a cheap bill of goods and showing you the interests of the city.

—According to previous announcement, the new daily appeared bright and early yesterday morning. The Durham Morning Sun. It is neat and newsy, and we wish its editor, Mr. Jas. A. Robinson, success, and hope it will not be put in total eclipse for the want of patronage.

—After Rev. Mr. G. P. Bostick delivered his farewell sermon at the First Baptist church last Sunday morning, Mr. H. A. Reams, in behalf of the congregation, in a touching little speech presented him a handsome gold watch as a token of their love for him. During the remarks of Mr. Reams there was a profound silence; but all through that vast crowd could be seen heads sinking lower and lower behind the pews. Before Mr. Reams presented the watch to Mr. Bostick, the choir, under the direction of Mr. J. M. Whitted, sang: "Blessed be the tie that binds, our hearts in Christian love." On the outside face lid and in the back were engraved the following:

"1ST BAPTIST CHURCH, OF DURHAM, N. C. REV. G. P. BOSTICK, A MISSIONARY TO CHINA. ON LEAVING US, FEB. 24TH 1889."

Attached to the watch was a beautiful chain and charm—upon the charm is inscribed the Lord's Prayer.

All felt that the time had come for them to part with a brother and friend—and like good soldiers, they knew their captain; they too, looked upon him, it may be for the last last time on this earth—one who is not going to China to win fame and fortune, but to labor in the Master's cause.

SITUATION WANTED

By a native of South-side, Va., who is unmarried and 45 years old. He prefers a grocery store, but any respectable work would be accepted, provided it be within doors. Best of reference as to character given. Address, J. L. E. Hollydale, P. O., Lunenburg Co., Va. Feb 27.

C. O. P. COTTON SEED LARD.

Has all the conveniences of Hog Lard and a number of advantages over it. It heats more readily, is less liable to burn, has very little of the disagreeable odor—which is so noticeable in frying fat—and leaves no taste of the Lard whatever in the articles fried in it. Biscuits made from it are much lighter than when Hog Lard is used; pie crust more delicate, and, while short and crisp, is not so greasy as that made from Hog Lard. Oysters, Croquettes, Fish Balls, etc., fried in it reach the perfection to which cooks aspire in preparing these articles—brown, dry, and free from grease. C. O. P. Cotton Seed Lard can be used in fine cakes instead of butter where Hog Lard would injure their flavor. In fact for all frying purposes C. O. P. Cotton Seed Lard is more healthful than Hog Lard being much less greasy and consequently more digestible. It is, in short, absolutely pure, wholesome, and economical. Try it and you will like it.
